### Forward-Looking Statements

*This press release contains forward-looking statements, as defined by federal securities laws. Statements contained in this press release that are not historical facts are forward-looking statements. These statements may address issues that involve significant risks, uncertainties, estimates and assumptions made by management. The Company undertakes no obligation to update these statements following the date of this press release, except as required by law. In addition, the Company, through its senior management, may make from time to time forward-looking public statements concerning the matters described herein. Such forward-looking statements are necessarily estimates reflecting the best judgment of the Company's senior management based upon current information and involve a number of risks and uncertainties. Certain factors that could affect the accuracy of such forward-looking statements are identified in the public filings made by the Company with the Securities and Exchange Commission, and forward-looking statements contained in this press release or in other public statements of the Company or its senior management should be considered in light of those factors. Specifically, with respect to statements relating to the sufficiency of the allowance for loan and lease losses, loan demand, cash flows, growth and earnings potential and expansion, these factors include, but are not limited to, the rate of growth (or lack thereof) in the economy generally and in the Bank's and ALC's service areas, market conditions and investment returns, the availability of quality loans in the Bank's and ALC's service areas, the relative strength and weakness in the consumer and commercial credit sectors and in the real estate markets, collateral values and cybersecurity threats. With respect to statements relating to the Company's acquisition of The Peoples Bank, these factors include, but are not limited to, difficulties, delays and unanticipated costs in integrating the organizations' businesses or realized expected cost savings and other benefits; business disruptions as a result of the integration of the organizations, including possible loss of customers; diversion of management time to address acquisition-related issues; and changes in asset quality and credit risk as a result of the acquisition. There can be no assurance that such factors or other factors will not affect the accuracy of such forward-looking statements.*
