## Forward-Looking Statements

*This press release contains forward-looking statements, as defined by federal securities laws. Statements contained in this press release that are not historical facts are forward-looking statements. These statements may address issues that involve significant risks, uncertainties, estimates and assumptions made by management. The Company undertakes no obligation to update these statements following the date of this press release, except as required by law. In addition, the Company, through its senior management, may make from time to time forward-looking public statements concerning the matters described herein. Such forward-looking statements are necessarily estimates reflecting the best judgment of the Company's senior management based upon current information and involve a number of risks and uncertainties. Certain factors that could affect the accuracy of such forward-looking statements are identified in the public filings made by the Company with the SEC, and forward-looking statements contained in this press release or in other public statements of the Company or its senior management should be considered in light of those factors. Specifically, with respect to statements relating to the sufficiency of the allowance for loan and lease losses, loan demand, cash flows, interest costs, growth and earnings potential, expansion and the Company's positioning to handle the challenges presented by COVID-19, these factors include, but are not limited to, the rate of growth (or lack thereof) in the economy generally and in the Company's service areas; market conditions and investment returns; changes in interest rates; the impact of the current COVID-19 pandemic on the Company's business, the Company's customers, the communities that the Company serves and the United States economy, including the impact of actions taken by governmental authorities to try to contain the virus and protect against it, through vaccinations and otherwise, or address the impact of the virus on the United States economy (including, without limitation, the Coronavirus Aid, Relief and Economic Security (CARES) Act and subsequent federal legislation) and the resulting effect on the Company's operations, liquidity and capital position and on the financial condition of the Company's borrowers and other customers; the pending discontinuation of LIBOR as an interest rate benchmark; the availability of quality loans in the Company's service areas; the relative strength and weakness in the consumer and commercial credit sectors and in the real estate markets; collateral values; cybersecurity threats; and risks related to the Paycheck Protection Program. There can be no assurance that such factors or other factors will not affect the accuracy of such forward-looking statements.*
